INDEPENDENT ACCOUNTANTS' REPORT ON APPLYING AGREED-UPON PROCEDURES

Boston Housing Authority
Boston, Massachusetts

We have performed the procedures enumerated below on Chapter 235 "An Act Relative to Local Housing Authorities" (the Act) as of and for the year ended March 31, 2024. Boston Housing Authority is responsible for the agreed-upon procedures in accordance with the Massachusetts Department of Housing and Community Development (EOHLC) Public Housing Notice 2020-26 dated July 1, 2020.

Boston Housing Authority has agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose of applying procedures and reporting associated findings related to Boston Housing Authority's compliance with the Act as of and for the year ended March 31, 2024. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of this report and may not meet the needs of all users of this report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes.

The procedures and the associated findings are as follows:

A. General Accounting

Procedures:

1. Reconciling financial statements to general ledger. Performed the following steps:
 - a. Compared the amounts reported on the Operating Statement and Balance Sheet (EOHLC Forms 51-1 and 51-2) to determine if they reconcile to Boston's Housing Authority's general ledger.
2. Reconcile the following general ledger accounts to supporting documentation within a tolerable error of +/- \$100 (unless otherwise noted):
 - a. Cash accounts (#1111 to #1114.1 and #1162) agree with bank statements and reconciliations.
 - b. Tenant Accounts Receivable and Prepaid Tenant Rent accounts (#1122, #1124, and #2240) agree with agings of Tenants Accounts Receivable (TAR).
 - c. Capital Assets and Accumulated Depreciation (all fixed assets except 1400.2) agree with the depreciation schedule/capital asset listings.
 - d. Accounts Payables accounts (#2111, #2111.1, #2120, and #2139) agree with supporting documentation for Accounts Payables and accruals.

A. General Accounting (Continued)

Procedures (Continued):

2. (Continued)

- e. Accrued Compensated Absences accounts (#2135 and #2335.01) agree with the compensated absences schedule.
 - f. EOHLC approved budget exceptions for direct reimbursement as found in (ANUEL & Subsidy Worksheet – Section 8 in the Operating Statement) agree with the Boston Housing Authority's record of actual expenses in the General Ledger.
 - g. Salaries and Gross Wages (#4110, #4410, and #4120) are within a tolerable error of 3.0% from the MA Form WR-1 (state filings).
 - h. Balance Sheet Accounts (#2140, #2339.1, and #2339.2) agree with OPEB/Pension reporting.
3. Confirm that the Boston Housing Authority is following the EOHLC Public Housing Notice #2018-4, Direct Cost Exception for Operating Reserves Augmentation in FY2019 Budget & New Reserve Thresholds, including
- a. If operating reserves are below 35% and expenditure is Health and Safety related, the Authority submitted Request form after expenditure was incurred. If operating reserves are 20% up to 35% and expenditure is not Health and Safety related, the Authority submitted Request Form and received EOHLC approval prior to expenditure. No operating reserve expenditures if operating reserve is below 20% and expenditure is not Health and Safety related.

Results:

- Step 1 – See results noted in Steps 2a – 2h below.
- Step 2a – Obtained the state-aided monthly bank statements and corresponding reconciliations for March 31, 2024. Mathematically checked that the amounts reconciled to accounts #1111 on the Form 51-2. No amounts were reported for accounts #1114.1 and #1162. No exceptions noted.
- Step 2b – Obtained the Aging of Tenant Accounts Receivables (TAR) which included the Prepaid Tenant Rent amounts for state-aided funds processed by the Boston Housing Authority as of March 31, 2024. Mathematically checked that the amount reconciled to account #1122 on the Form 51-2. No amounts were reported for accounts #1124 and #2240. No exceptions noted.
- Step 2c – Obtained a copy of the capital asset and accumulated depreciation schedule as of March 31, 2024, for land, building, building improvements, and other equipment (administration/maintenance) and the accumulated depreciation schedule. Mathematically checked that the capital assets and accumulated depreciation amounts reconciled to all fixed asset account numbers on the Form 51-2. No exceptions noted.

A. General Accounting (Continued)

Results (Continued):

- Step 2d – Obtained general ledger support for accounts payable and accrued liabilities as of March 31, 2024. Mathematically checked that the amounts reconciled to accounts #2111, #2111.1, #2120, and #2139 on the Form 51-2. No exceptions noted.
- Step 2e – Obtained a copy of the accrued compensated absences schedule as of March 31, 2024. Mathematically checked that the amounts reconciled to accounts #2135 and #2335.01 on the Form 51-2. No exceptions noted.
- Step 2f – Obtained the ANUEL & Subsidy Worksheet for March 31, 2024, and agreed the amounts reported for approved exceptions for direct reimbursement to the amounts reported on the Form 51-1. No exceptions noted.
- Step 2g – Obtained the MA Form WR-1 (State Filings) for all four quarters of fiscal year 2024, and compared the amounts reported to the wage reports for each quarter. The amounts reported to accounts #4110 and #4410 on the Form #51-1 were a subset of the amounts reported in the WR-1. Mathematically recalculated that the amounts are within a +/-3% tolerable error. No exceptions noted.
- Step 2h – Obtained FDS support for fiscal year ending March 31, 2024, and observed that future liabilities for employee benefits (GASB 45 and GASB 68) are properly reflected on Form #51-2. No exceptions noted.
- Step 3 – Obtained a screenshot of the Boston Housing Authority's Operating Reserve Analysis that was submitted to the EOHLC for fiscal year ending March 31, 2024. Mathematically checked that the FYE operating reserve balance is above 35% of full reserves. No exceptions noted.

B. Tenant Accounting

Procedures:

1. Obtained from management a listing of Accounts Receivable Activity for state-aided funds processed by the Boston Housing Authority for the period April 1, 2023 through March 31, 2024. Haphazardly selected 20 cash receipts, including at least 20% being credit adjustments, from the above period for deposits processed by the Boston Housing Authority for the state-aided funds, obtained supporting documents from management for each selection and perform the following for each selection:
 - a. Observed supporting documentation for rent receipts is retained.
 - b. Traced rent receipts to ensure they posted to the correct tenant accounts.
 - c. Observed documentation supporting credit adjustments is retained.
 - d. Confirmed that the Boston Housing Authority followed its rent collection policy for nonpayment of rent (i.e., issued notice to quit, followed eviction protocol).

B.Tenant Accounting (Continued)

Procedures (Continued):

2. Obtained detail of write-offs and confirmed that the write-offs are in accordance with the Boston Housing Authority policy. Traced to the documentation of board approval to write-off account.
3. Obtained from management a listing of vacancies accounted for by the Boston Housing Authority's operating software. Mathematically checked that the number of vacancies in the listing is the same number of vacancies reported in the EOHLC's On-Line Vacancy System for the fiscal year.

Results:

- Step 1 – Obtained the Accounts Receivable Activity as of March 31, 2024, for state-aided funds noted above and selected 20 cash receipts for state-aided funds and performed the procedures enumerated above. No exceptions noted.
- Step 2 – Obtained the Boston Housing Authority's detail of write-offs for state-aided funds as of March 31, 2024, and performed the procedures enumerated above, noting no exceptions. Per discussion with management, write-off of accounts is performed on a quarterly basis. Since there is no Board of Directors the Assistant Director of Property Management approves the write-offs. No exceptions noted.
- Step 3 – Obtained the Boston Housing Authority's detail of vacant units as of March 31, 2024, and agreed the total number of vacant units within their operating software to the total number of vacant units reported in the EOHLC's On-Line Vacancy System. No exceptions noted.

C. Payroll

Procedures:

1. Obtained from management the Top 5 Compensation form. Traced the salary amounts and positions for the top 5 compensated employees per this form to the 5 highest paid salaries that were identified on the DCHD-approved budget *Schedule of All Salaries and Positions "Report"* in HAFIS within a tolerable error of +/-3% of budgeted salary. Confirmed that the amount reported on the Top 5 Compensation Form matches exactly the amount reported on reconciled to the corresponding state online submission form, Form WR-1. Observed that the Authority is in possession of EOHLC-approved executive contract signed by the Authority, Executive Director, and EOHLC.
2. Selected a single pay period and performed the following procedures:
 - a. Traced time logged on employee timesheets/timecards to the payroll register.
 - b. Observed timesheets/timecards are maintained by all employees and are approved by supervisor (including leave time taken).
 - c. Observed annual leave time (i.e., sick, vacation, personal) used is identified on timesheets/timecards and is accurately accounted for in compensated absence register.

C. Payroll (Continued)

Procedures:

3. Obtained a copy of the compensated absences liability schedule and the Authority's personnel policy and performed the following:
 - a. Observed that the personal policy includes (1) a limit on the amount of vacation and sick leave that will be accrued each year, when/how such leave will be accrued, (2) a limit on the amount of accrued vacation that may be carried over from year to year, and (3) a cap on the payout for accrued and unused sick leave at the end of employment.
 - b. Mathematically check that the Authority is accounting for annual leave time earned in accordance with the Authority's personnel policy.

Results:

- Step 1 – The following are the results of wage reporting procedures:
 - Obtained the Top 5 Compensation Form as of March 31, 2024, from management, identified the 5 highest paid salaries from the *Schedule of All Salaries and Positions "Report"* and compared the salary amounts and positions per both forms. The amounts agreed within a tolerable error of +/-3% of budgeted salaries. No exceptions noted.
 - Obtained the Top 5 Compensation Form and the Quarterly WR-1 Form for the fiscal year ended March 31, 2024. We noted that the Quarterly WR-1 Form does not break the amount down by top compensation amounts; therefore, we obtained a reconciliation from management to agree in total. All 5 salaries tied to the top 5 salary form. No exceptions noted.
 - The Administrator of the Authority is appointed by the Mayor of Boston. Her salary is also approved by the Mayor of Boston. There is no agreement or contract in place. No exceptions noted.
- Step 2 – Selected a single pay period and tested all employees charged to state-aided funds to the attributes noted above. No exceptions noted.
- Step 3 – Obtained a copy of the Boston Housing Authority's compensated absences policy effective during the fiscal year ended March 31, 2024. Sighted that the Authority's policy outlines limits on the amount of vacation and sick leave that will be accrued each year, when/how the leave will be accrued, limits the amount of accrued vacation that may be carried over from year to year, sets a cap on the payout for accrued and unused sick leave at the end of employment. No exceptions noted.

D. Accounts Payable

Procedures:

1. Obtained from management listings of capital/operating expenditures, credit card expenditures, and employee reimbursements for state-aided funds processed by the Boston Housing Authority for the period April 1, 2023 through March 31, 2024. Haphazardly selected 25 cash disbursements (selecting at least 1 from each listing) from the above period for disbursements processed by the Boston Housing Authority for the state-aided funds, obtained supporting documents from management for each selection and perform the following for each selection:
 - a. Observed cash disbursements were authorized in accordance with the Authority's policies.
 - b. Agreed cash disbursements with supporting documentation.
 - c. Inspected supporting documentation to determine it is sufficiently detailed.
 - d. Examined invoices to confirm costs are allowable (i.e., sales tax, alcohol, lottery tickets).
 - e. For those invoices allocated, examined the allocation to confirm proper recording.
 - f. Examined invoices to confirm costs are properly classified.

Results:

- Step 1 – Selected 25 cash disbursements for state-aided funds (consisting of a mix of capital/operating expenditures, credit card expenditures, and employee reimbursements) occurring during the fiscal year ended March 31, 2024, and performed the procedures enumerated above. No exceptions noted.

E. Inventory

Procedures:

1. Obtained from management a listing of capital and noncapital assets for the period April 1, 2023 through March 31, 2024, and performed the following:
 - a. Observed documentation that the Authority performed a physical count of its capital and noncapital asset inventory annually.
 - b. Observed that the inventory listing includes both capitalized and noncapitalized items of \$1,000 or more. It also includes all necessary information, including a tag with an LHA-assigned number for all assets of \$1,000 or more. For relevant assets of \$5,000 or more, it also includes all necessary information to sufficiently identify an asset.
 - c. Observed that the Authority identified additions and disposals of capital and noncapital assets.
 - d. Selected a random sample of 12 noncapital assets by tag number and confirm existence (N/A in FY24 as there are no noncapital assets).

E. Inventory (Continued)

Results:

- Step 1-a – The Authority maintains state funded inventory through its Central Office, therefore does not perform a physical count of its capital and noncapital asset inventory at the state level. Exception noted.
- Step 1-b – The Authority does not have an inventory listing by LHA-assigned number. Exception noted.
- Step 1c – Obtained general ledger detail for the fiscal year ended March 31, 2024, supporting all additions and disposals for capital and noncapital assets. No exceptions noted.
- Step 1d – This procedure was unable to be performed, as the Authority does not have an inventory listing. Exception noted.

F. Procurement

Procedures:

Examined the cash disbursements journals as well as the contract registers to identify purchases of goods and services that should have been competitively procured. From these purchases, selected a sample of nine procurements. For the items selected, performed the following procedures:

1. The Authority's procurement policy meets the following:
 - a. Policy is consistent with the requirements of MGL c. 30b.
 - b. Authority maintains a contract register which includes contractor, description active/inactive, change order amounts, contract expenditures to date and remaining value.
2. For known procurements valuing \$10,000 up to and including \$50,000 performed the following procedures:
 - a. Proper procurement method used.
 - b. Proper selection based on MGL c.30B s.5 solicitation of quotes requirements.
 - c. Documentation of a written purchase description with solicitation of written quotes from at least three persons.

 - a. Proper procurement method used.
 - b. Proper selection based on MGL c.30B s.5 IFB requirements or MGL c.30B s.6 RFP requirements. If using MGL C.30B s.6 RFP requirements, LHA must have a Chief Procurement Officer conduct the procurement under c.30B s.6 selection based on MGL c.30B s.5 IFB requirements or MGL c.30B s.6 RFP requirements.
 - c. Documentation of newspaper advertisement, Agency's Office and COMMUYS two weeks prior to bidding process. If contract was over \$100,000, it was advertised in the Goods & Services bulletin.
 - d. If IFB, contract award went to lowest bidder. If RFP, contract went to the lowest bidder or letter explaining why it went to a different bidder.
 - e. Board vote is documented approving individual contract, or a board vote to delegate authority over certain contracts to an LHA staff member.
 - f. Contract did not go through automatic renewals unless renewals were part of the original procurement.
 - g. Traced contracts to the Authority's contract register.

Results:

A. Capital and Non-Capital Asset Inventory				
1. The Authority performed a physical count of its capital asset and non-capital asset inventory at least annually (non-capital assets are refrigerators and stoves and other furniture equipment over the Authority's non-capital inventory threshold, which may not exceed \$1,000).	E	The Authority maintains state funded inventory through its Central Office, therefore does not perform a physical count of its capital and non-capital assets.	The Agency should perform a physical count of its capital and non-capital assets inventory at the state level.	BHA has new leadership in the inspection and maintenance department. We are in the process of implementing appliance tracking as part of this new inspection process.
2. Capital and Non-Capital Asset inventory includes all necessary information to identify the asset. For non-capital assets that includes a tag with an LHA-assigned number for all assets of \$1,000 or more (and all refrigerators and stoves of any value). For relevant assets of \$5,000 or more that includes the make/model/year for vehicles and the FISH number.	E	The Authority does not have an inventory listing by LHA-assigned number.	The Agency should maintain an inventory listing that includes the LHA-assigned number.	The above new process will include tagging at the point of initial inspection or replacement.
3. The Authority identified additions and disposals of capital and non-capital assets for the accounting period.	NE			
4. Select a random sample of non-capital assets by tag number (Small - 3, Med - 6, Large - 9, Very Large - 12) and verify existence.	E	The Authority does not have an inventory listing by LHA-assigned number. Therefore, this procedure was unable to be performed.	The Agency should maintain an inventory listing that includes the LHA-assigned number.	Once the new inspection process is implemented, selections can be made.
