Annual re-certifications for the 667-1 property are conducted, not according to the Tenant's anniversary lease date, but on a fixed development wide annual recertification date of June 1st. Therefore, the first annual recertification for this family was conducted in a 14 month window. All annuals moving forward from this initial year calibrate and do fall within the 12 month window for annual recertification. Walpole always provides the opportunity for interim examinations for any tenant who feels they may be adversely affected by a re-examination that extends initially beyond a twelve month window due to the fixed annual recertification date of June 1st.</i>
