5. What is on General Ledger matches bank statement (bank reconciliation) and Operating Statement and Balance Sheet (51-1 and 51-2 respectively).	NE
B. Rent Collection – Segregation of Duties	No Exception Found
1. Document and evaluate internal controls and segregation of duties for steps 1 to 5 above. For LHAs with only one administrative employee: if sufficient internal controls and segregation of duties are not in place, there are mitigating controls in place, such as reporting the frequency/amount of credit adjustments to the board or fee accountant.	NE
C. Rent Collection – Tenant Accounts Receivables (TAR)	Exception Found
1. Aging of Tenant Accounts Receivable is matched to the General Ledger and to the Balance Sheet TAR (51-2).	NE

If no write-offs can be found, please select N/A option from drop down for both steps 1 and 2.	
1. Obtain detail of write-offs and verify that write-offs are in accordance with DHCD policy.	NE
2. Documentation of Board approval to write-off account (board approval of write-off required per budget guidelines for Acct #4570 - Collection Loss).	E

Exceptions Noted: A1.) The Firm found the rent log does not contain all necessary information needed to identify the source of cash rent payments. C2.) The Firm notes the new Executive Director is researching tenant balances to verify accuracy and pursue collection. D2.) The Firm found board minutes did not specify the dollar amount of tenant write-offs to be made.

Internal Control Recommendation: A1.) The Firm recommends a rent log containing all information necessary to identify cash rent payments accompany each deposit. C2.) The Firm recommends the Authority continue to research tenant balances in order to verify accuracy and facilitate the collection process. D2.) The Firm recommends documentation of board approvals for write-offs include the dollar amounts of the balances to be written off.

Authority's Response: The authority has been under new management since May 2019. The rent log now contains the necessary information to identify the source of cash payments. Tenant balances are being researched for accuracy and collection. Current board approved write-offs are accurately documented in the authority minutes.

Number of Category Exceptions: 3 Category Rating: Corrective Action

A. Wage Reconciliation		Exception Found
1. Verify analytically (not to exact amount) that FYE-end wages gross payroll reported on the LHA's General Ledger for all programs and all employees matches actual wage amounts reported on Forms 941 and WR-1 (state and federal filings).		NE
2. Look at DHCD-approved budget <i>Schedule of All Salaries and Positions "Report"</i> in HAFIS and identify five highest paid salaries from all funding sources. Verify analytically (within % ANUEL increase for that year - exclude overtime in calculation for maintenance employees) that it matches the amount reported at FYE on the LHA's Top 5 Compensation Form (LHA should have a copy on file). Verify the amount reported on the Top 5 Compensation Form matches <u>exactly</u> the amount reported on reconciled Form 941 and the corresponding state online submission (mass.gov/lwd/unemployment-insur/employers/).		NE
3. LHA is in possession of DHCD-approved executive contract signed by the LHA, Executive Director and DHCD. If LHA can show that currently being processed by DHCD and was not returned to the LHA for failing to meet DCHD's requirements, LHA can produce the last DHCD-approved executive contract signed by the LHA, Executive Director and DHCD. Verify analytically future liabilities for employee benefits (particularly GASB 45 and GASB 68) are properly reflected on Operating Statement (51-1) and Balance Sheet (51-2). If GASB 68 actuarial reports were not received by the LHA in time for year-end financial statements, it is OK for LHA to report last year's GASB 68 numbers.		E
2. Proper controls and approvals are in place, i.e. Executive Director approves employee compensated absences.		E
3. Compensated absences should be tracked apart from the timesheets, and verification with timesheets should be performed.		E
4. Accrued and Accumulated leave time matches. Time is accruing as it should.		E
Exceptions Noted:	A3.) The Firm notes that an executive contract could not be located in the files of the prior administration. B) This test could not be completed since most of the necessary records could not be found in the prior administration's filing system.
