B. Payroll/Fringe Benefits	
Number of Category Exceptions: 2	Category Rating: Operational Guidance
<b>A. Wage Reconciliation</b>	<b>Exception Found</b>
1. Verify analytically (not to exact amount) that FYE-end wages gross payroll reported on the LHA's General Ledger for all programs and all employees matches actual wage amounts reported on Forms 941 and WR-1 (state and federal filings).	NE
2. Look at DHCD-approved budget <i>Schedule of All Salaries and Positions "Report"</i> in HAFIS and identify five highest paid salaries from all funding sources. Verify analytically (within % ANUEL increase for that year - exclude overtime in calculation for maintenance employees) that it matches the amount reported at FYE on the LHA's Top 5 Compensation Form (LHA should have a copy on file). Verify the amount reported on the Top 5 Compensation Form matches <u>exactly</u> the amount reported on reconciled Form 941 and the corresponding state online submission (mass.gov/lwd/unemployment-insur/employers/).	NE
3. LHA is in possession of DHCD-approved executive contract signed by the LHA, Executive Director and DHCD. If LHA can show that currently being processed by DHCD and was not returned to the LHA for failing to meet DCHD's requirements, LHA can produce the last DHCD-approved executive contract signed by the LHA, Executive Director and DHCD.	E
<b>B. Select a Single Pay Period:</b>	<b>No Exception Found</b>
1. Trace timesheets/timecards to the payroll register.	NE
2. Test for completeness and accuracy.	NE
3. Proper controls and approvals are in place, i.e. employees sign timesheets, the Executive Director signs off on employee timesheets, and the Executive Director maintains a timesheet.	NE
<b>C. Obtain a compensated absences liability schedule:</b>	<b>Exception Found</b>
1. Test for consistency with personnel policy (personnel policy required per Contract for Financial Assistance (CFA) and Management Plan IIa2) and reconcile to Balance Sheet (51-2) and General Ledger. If AUP conducted after 9/30/17, personnel policy includes (1) the limits on the amount of vacation and sick leave that will be accrued each year, and when and how such leave will be accrued; (2) a limit on the amount of accrued vacation that may be carried over from year to year, and; (3) a cap on the payout for accrued and unused sick leave at the end of employment per PHN 2017-14. Verify analytically future liabilities for employee benefits (particularly GASB 45 and GASB 68) are properly reflected on Operating Statement (51-1) and Balance Sheet (51-2). If GASB 68 actuarial reports were not received by the LHA in time for year-end financial statements, it is OK for LHA to report last year's GASB 68 numbers.	NE
2. Proper controls and approvals are in place, i.e. Executive Director approves employee compensated absences.	NE
3. Compensated absences should be tracked apart from the timesheets, and verification with timesheets should be performed.	NE
4. Accrued and Accumulated leave time matches. Time is accruing as it should.	E
<b>Exceptions Noted:</b>	A.3.) The Firm notes that the Authority is not currently in possession of a DHCD-approved executive contract. C.4.) The Firm notes that sick time for the Director is not being accrued properly. For employees that work less than 5 days per week, the number of hours in a work day should be calculated by dividing the scheduled work week by 5. Therefore, the Director should be accruing 6 hours of sick time per month based on her 24 hour work week, not 7.5 hours. (24 hrs per week / 5 = 4.8 hrs per day. 4.8 hrs per day * 1.25 sick days per month = 6 sick hours per month).
<b>Internal Control Recommendation:</b>	A.3.) The Firm recommends that the Authority send DHCD an executive contract for approval. C.4.) The Firm recommends that the Authority adjust its sick time accrual formula to grant the Director the appropriate number of sick hours each month.
<b>Authority's Response:</b>	A.3.) LHA Exe Director is waiting for new budget guidelines to draw up ED contract for Board approval. C.4.) The ED is accruing sick time correctly. The ED works 4 days per week, 6 hours each day, accruing 7.5 sick hours per month which is equal to 1.25 days per month based on her work schedule.
