2. Look at DHCD-approved budget <i>Schedule of All Salaries and Positions "Report"</i> in HAFIS and identify five highest paid salaries from all funding sources. Verify analytically (within % ANUEL increase for that year - exclude overtime in calculation for maintenance employees) that it matches the amount reported at FYE on the LHA's Top 5 Compensation Form (LHA should have a copy on file). Verify the amount reported on the Top 5 Compensation Form matches <u>exactly</u> the amount reported on reconciled Form 941 and the corresponding state online submission (mass.gov/lwd/unemployment-insur/employers/).	E
3. LHA is in possession of DHCD-approved executive contract signed by the LHA, Executive Director and DHCD. Verify analytically future liabilities for employee benefits (particularly GASB 45 and GASB 68) are properly reflected on Operating Statement (51-1) and Balance Sheet (51-2). <b>Authority's Response:</b>	<i>The process for payment of any invoice requires the review of the Executive Director and he has generally initialed any invoice for payment. This was an informal system that did not include recurring invoices such as electric bills. Since the AUP was performed, based on the "closing interview" with the auditors, the Executive Director has implemented a formal process wherein all invoices must be reviewed and initialed by the ED prior to issuance of payment. This process is being reduced to a written policy to be reviewed, edited, and approved by the Board of Directors.</i>

### Section E. Procurement\Public Bidding for Goods and Services (Continued)

Regarding the instance in 2017 where three bids were not secured for a project. This was for emergency work as the heating system of a tenant property had failed in October. As such, time was of the essence as tenant health and safety was at risk. The contract and work were ultimately approved by DHCD and came in under the approved Capital Improvement Plan budget for the project (as the work had been scheduled for the following Spring as part of the CIP Plan but the system failed early). Ultimately the Authority was reimbursed the cost as part of the Capital Improvement Process after the contract was approved by DHCD.

The Authority will create and maintain a contract register. In the past any contracts were kept specifically with the project relating to the contract and not as part of a cohesive contract log.
