Verify the amount reported on the Top 5 Compensation Form matches <u>exactly</u> the amount reported on reconciled Form 941 and the corresponding state online submission (mass.gov/lwd/unemployment-insur/employers/).	NE
3. LHA is in possession of DHCD-approved executive contract signed by the LHA, Executive Director and DHCD. Verify analytically future liabilities for employee benefits (particularly GASB 45 and GASB 68) are properly reflected on Operating Statement (51-1) and Balance Sheet (51-2). If GASB 68 actuarial reports were not received by the LHA in time for year-end financial statements, it is OK for LHA to report last year's GASB 68 numbers.	E

The Authority should establish a contract register to maintain a detailed log of all active contracts. A contract register is an important tool used by management in order to track the status of service contracts and to improve internal controls over compliance with procurement requirements. By establishing and maintaining an active contract register, the Authority will be aware of expiring contracts, have the ability to request proposals for new contracts with adequate timing for vendors to respond, and can closely monitor procurement of goods and services.

Authority's Response:	The Haverhill Housing Authority has internal controls in place to ensure timely recertifications. Unfortunately these internal controls are ineffective against non-compliance by program participants who fail to supply necessary documentation in a timely manner. Going forward, the Haverhill Housing Authority will follow the recommendations of Guyder Hurley and complete recertifications with the information that is available at the time when the recertification is due, and document any issues with participants and advocates regarding the timely supplying of information.
