B. Payroll/Fringe Benefits	
Number of Category Exceptions: 0	Category Rating: No Findings
A. Wage Reconciliation	No Exception Found
<p>1. Verify analytically (not to exact amount) that FYE-end wages gross payroll reported on the LHA's General Ledger for all programs and all employees matches actual wage amounts reported on Forms 941 and WR-1 (state and federal filings).</p> <p>2. Look at DHCD-approved budget <i>Schedule of All Salaries and Positions "Report"</i> in HAFIS and identify five highest paid salaries from all funding sources. Verify analytically (within % ANUEL increase for that year - exclude overtime in calculation for maintenance employees) that it matches the amount reported at FYE on the LHA's Top 5 Compensation Form (LHA should have a copy on file). Verify the amount reported on the Top 5 Compensation Form matches <u>exactly</u> the amount reported on reconciled Form 941 and the corresponding state online submission (mass.gov/lwd/unemployment-insur/employers/).</p> <p>3. LHA is in possession of DHCD-approved executive contract signed by the LHA, Executive Director and DHCD. If LHA can show that currently being processed by DHCD and was not returned to the LHA for failing to meet DCHD's requirements, LHA can produce the last DHCD-approved executive contract signed by the LHA, Executive Director and DHCD.</p>	<p>NE</p> <p>NE</p> <p>NE</p>

C. Obtain a compensated absences liability schedule:	No Exception Found
<p>1. Test for consistency with personnel policy (personnel policy required per Contract for Financial Assistance (CFA) and Management Plan IIa2) and reconcile to Balance Sheet (51-2) and General Ledger. If AUP conducted after 9/30/17, personnel policy includes (1) the limits on the amount of vacation and sick leave that will be accrued each year, and when and how such leave will be accrued; (2) a limit on the amount of accrued vacation that may be carried over from year to year, and; (3) a cap on the payout for accrued and unused sick leave at the end of employment per PHN 2017-14. Verify analytically future liabilities for employee benefits (particularly GASB 45 and GASB 68) are properly reflected on Operating Statement (51-1) and Balance Sheet (51-2). If GASB 68 actuarial reports were not received by the LHA in time for year-end financial statements, it is OK for LHA to report last year's GASB 68 numbers.</p> <p>2. Proper controls and approvals are in place, i.e. Executive Director approves employee compensated absences.</p> <p>3. Compensated absences should be tracked apart from the timesheets, and verification with timesheets should be performed.</p> <p>4. Accrued and Accumulated leave time matches. Supporting Documentation (CPAs: include date, description of charge and amount of transaction for each purchase missing documentation below) 4. Allowability 5. Allocation 6. Classification 7. No Sales Tax Paid 8. Card is in Housing Authority name; not Executive Director (or any other staff member) name.</p>		<p>Exception Found</p> <p>NE NE E NE NE NE NE E</p>
<p>D. Select a sample (Small - 3, Med - 5, Large - 7, Very Large - 9) of employee reimbursements (include at least one travel reimbursement).</p> <p>1. Approval and Segregation of Duties 2. Accuracy 3. Supporting Documentation 4. Allowability 5. Allocation 6. Classification</p>		<p>Exception Found</p> <p>NE NE NE E NE NE</p>
<p>Exceptions Noted:</p>	<p>C.3.) The Firm notes that supporting documentation was missing for a credit card purchase of \$82.44 from Lowe's on 8/7/17. C.8.) The Firm notes that, although the Authority's credit card is in the Authority's name, one of the cardholders is a maintenance contractor, not an employee of the Authority. D.4.) The Firm notes that this same contractor was reimbursed for travel expenses for training despite being neither an employee nor board member of the Authority.</p>	
<p>Internal Control Recommendation:</p>	<p>C.3.) The Firm recommends that the Authority remind employees to turn in all receipts related to purchases made on the Authority's credit card within a timely manner so that they do not have the chance to be discarded or misplaced. C.8.) The Firm recommends that the Authority revoke cardholder status from any individual who is not an employee of the Authority. Contractors must purchase their own materials as an expected cost of doing business. D.4.) The Firm recommends that the Authority review budget guidelines for clarification on allowable reimbursements. The 2018 guidelines specify, on page 25, that reimburseable travel expenses are "incurred by board members and staff."</p>	
<p>Authority's Response:</p>	<p>C.3.) The Executive Director will be sure to ask for receipts as purchases are made with a credit card. The Executive Director did contact Lowes to ask for the receipt for \$82.44 that was missing but was told by Lowes that they only keep that information in their system for 90 days. C.8.) The Executive Director was not aware that the maintenance contractor must purchase materials as an expected cost of doing business. She has since then revoked charging privileges from the maintenance contractor. D.4.) Because maintenance trainings are so important to keep up with the latest maintenance requirements of DHCD, the Executive Director feels it is important to send the maintenance contractor to these trainings from time to time. Since this Authority only uses a maintenance contractor for its maintenance needs, the Executive Director feels this should be an allowable reimbursement to the maintenance contractor.</p>

Exceptions Noted:	B.) The Firm notes that not all annual rent redeterminations were timely. D.1.) The Firm notes that not all notifications of rent redetermination were sent at least 60 days prior to the effective date. D.2.) The Firm notes that not all Notices of Rent Change were sent at least 14 days prior to the effective date. D.3.) The Firm notes that one sampled tenant file did not include a current signed lease.
Internal Control Recommendation:	B.) The Firm recommends that the Authority begin the rent redetermination process early enough to allot time for the effective date of the latest lease to be no more than 12 months after the effective date of the prior lease. D.1.) The Firm recommends that the Authority send out notifications of rent redeterminations at least 60 days before the effective date of each new lease. The effective date of new leases should be no more than 12 months after the effective date of the prior lease. D.2.) The Firm recommends that the Authority ensure that all Notices of Rent Change are sent out at least 14 days prior to the effective date. If the Notice is delayed because of the tenant's inability to provide information in a timely manner, documentation of the Authority's efforts to contact the tenant in order to retrieve that information should be kept on file. D.3.) The Firm recommends that the Authority ensure that every lease is signed by the tenants within a timely manner.
Authority's Response:	B.) Although the rent redeterminations were done late, they did get done. This Authority is small and as such the Executive Director does not have an assistant to help with the rent redeterminations. The Executive Director switched the rent determinations date to start in the summer when it's less busy at the Authority. D.1.) The Authority has been careful about sending out the notification of rent redetermination at least 60 days prior to rent changing. D.2.) The Authority has been careful about sending out notices of rent change at least 14 days prior to when the change will happen. Sometimes if a tenant is late in getting information for rent determination back to the Authority, the rent change may go in effect sooner than the 14-day notice. The Authority will better document their efforts in trying to get the information from the tenant so that it is noted why the tenant did not get a 14-day notice before the change in rent. D.3.) The Authority does require that all tenants return a signed lease addendum. Tenants are usually not good at returning signed lease addendums in a timely manner so second and sometimes third notices need to be sent to the tenants. The Authority will better document its efforts in trying to get back signed lease addendums from late tenants.
