Number of Category Exceptions: 1      Category Rating: Operational Guidance

A. Rent Collection – Walk-through of sample (Small - 3, Med - 5, Large - 7, Very Large - 9) of individual rent receipts to ensure all the following steps are being executed.	Exception Found

What is on General Ledger matches bank statement (bank reconciliation) and Operating Statement and Balance Sheet (51-1 and 51-2 respectively).	NE E NE NE NE
<b>B. Rent Collection – Segregation of Duties</b> 1. Document and evaluate internal controls and segregation of duties for steps 1 to 5 above. For LHAs with only one administrative employee: if sufficient internal controls and segregation of duties are not in place, there are mitigating controls in place, such as reporting the frequency/amount of credit adjustments to the board or fee accountant.	No Exception Found NE
<b>C. Rent Collection – Tenant Accounts Receivables (TAR)</b> 1. Aging of Tenant Accounts Receivable is matched to the General Ledger and to the Balance Sheet TAR (51-2). 2. B. Payroll/Fringe Benefits

Number of Category Exceptions: 3 Category Rating: Corrective Action

A. Wage Reconciliation		Exception Found
1. Verify analytically (not to exact amount) that FYE-end wages gross payroll reported on the LHA's General Ledger for all programs and all employees matches actual wage amounts reported on Forms 941 and WR-1 (state and federal filings).		NE
2. Look at DHCD-approved budget <i>Schedule of All Salaries and Positions "Report"</i> in HAFIS and identify five highest paid salaries from all funding sources. Verify analytically (within % ANUEL increase for that year - exclude overtime in calculation for maintenance employees) that it matches the amount reported at FYE on the LHA's Top 5 Compensation Form (LHA should have a copy on file). Verify the amount reported on the Top 5 Compensation Form matches <u>exactly</u> the amount reported on reconciled Form 941 and the corresponding state online submission (mass.gov/lwd/unemployment-insur/employers/).		E
3. LHA is in possession of DHCD-approved executive contract signed by the LHA, Executive Director and DHCD. If LHA can show that currently being processed by DHCD and was not returned to the LHA for failing to meet DCHD's requirements, LHA can produce the last DHCD-approved executive contract signed by the LHA, Executive Director and DHCD.		NE
B. Select a Single Pay Period:		Exception Found
1. Trace timesheets/timerecards to the payroll register.		NE
2. Test for completeness and accuracy.		NE
3. Proper controls and approvals are in place, i.e. employees sign timesheets, the Executive Director signs off on employee timesheets, and the Executive Director maintains a timesheet.		E
C. Obtain a compensated absences liability schedule:		Exception Found
1. Test for consistency with personnel policy (personnel policy required per Contract for Financial Assistance (CFA) and Management Plan IIa2) and reconcile to Balance Sheet (51-2) and General Ledger. If AUP conducted after 9/30/17, personnel policy includes (1) the limits on the amount of vacation and sick leave that will be accrued each year, and when and how such leave will be accrued; (2) a limit on the amount of accrued vacation that may be carried over from year to year, and; (3) a cap on the payout for accrued and unused sick leave at the end of employment per PHN 2017-14. Verify analytically future liabilities for employee benefits (particularly GASB 45 and GASB 68) are properly reflected on Operating Statement (51-1) and Balance Sheet (51-2). If GASB 68 actuarial reports were not received by the LHA in time for year-end financial statements, it is OK for LHA to report last year's GASB 68 numbers.		NE
2. Proper controls and approvals are in place, i.e. Executive Director approves employee compensated absences.		NE
3. Compensated absences should be tracked apart from the timesheets, and verification with timesheets should be performed.		NE
4. Accrued and Accumulated leave time matches. Time is accruing as it should.		E
<b>Exceptions Noted:</b>	A.2.) The Firm notes that the Top 5 Compensation Form excluded the two employees who had retired during the fiscal year. B.3.) The Firm notes that employees don't always sign their timesheets. C.4.) The Firm notes that the Director's sick time is not accruing at the correct rate, and it is unclear if her vacation time is accruing properly.	
<b>Internal Control Recommendation:</b>	A.2.) The Firm recommends that the Authority examine gross compensation for every employee who worked at the Authority during the fiscal year, not just current employees, when determining which wages should be included on the Top 5 Form. If done correctly, the Top 5 Form should reconcile exactly to the amounts submitted to MassQuest for the top 5 compensated employees. B.3.) The Firm recommends the Authority remind employees to sign their timesheets each week to ensure proper verification of hours worked. C.4.) The Firm recommends the Authority recalculate the Director's sick accrual using 8 hours accrued per month (32 hrs / 5 = 6.4 hrs per week. 6.4 * 1.25 = 8 hrs sick per month). The Firm also recommends that the Authority review the Director's vacation accrual to determine if the current rate is in compliance with the personnel policy. The policy currently does not specify whether years worked at another Authority count towards length of employment.	
<b>Authority's Response:</b>	A.2.) In response to the Top Five Form exception, the Housing Authority will examine gross compensation for every employee during the fiscal year and exact amounts will match amounts submitted to MassQuest. B.3.) Timesheets will be signed by employees weekly to ensure proper verification of hours worked. C.4.) Accrued sick time was recalculated based on 32 hours at 8 hours a month. Vacation time was reviewed with the personnel policy and ED's contract to determine if it is in compliance. It will be adjusted to comply with the personnel policy.
